

Please use this area for primary design items. You can enter all fullcolor graphics as well as text. Try not to work too close to the edge of this area and not to use too small or detailed items.

Please do not put any important content in this area. You can bleed the background color or design here so it will be printed over the cassette reels as well as the window. If this is not desired, then please leave this area completely blank.

This is secondary printing area. If required, it can be printed. The result of printing may vary per cassette type and texture. We advise to place no important content here.
